Re: Town Manager's Report

Dear Council Members:

The following will keep you up-to-date on various topics.

1. Crime Statistics:

At the February 9th Public Comment Session, a resident suggested crime had/was increasing in Glastonbury. This is not accurate as the attached statistics confirm. The raw numbers are not adjusted for the increased population since 1985 which would show a greater reduction on a per capita basis.

2. Grant Award – Energy:

Glastonbury is eligible for a \$121,000 grant award under the ARRA program. Application was submitted to OPM and use of grant monies now authorized. These funds will be allocated to building energy efficiency, updated/automated controls, and hybrid vehicles.

I will be happy to review the preceding and any other items Tuesday evening.

Sincerely,

Richard J. Johnson
Town Manager
